**National Building Control Conference – Radisson Blu Hotel, Athlone, Co
Westmeath**
29th and 30th March 2023

Dear Chief Executive,

I wish to draw your attention to the above event - details and booking form attached.

This annual conference is organised by the Irish Building Control Institute (IBCI) and aims to inform Building Control personnel of recent and pending changes in the legislative and regulatory framework governing building control and emerging issues. It also provides an opportunity to exchange views on practical experience of building control administration.

The Department strongly recommends attendance by key building control officials from all authorities. The conference will also be of interest to Fire Officers, Building Surveyors, Access Officers, Engineers, Architects, Building Inspectors, Housing Inspectors, and Administrative Staff involved with Building Control in the Local Government sector.

Yours sincerely,

Sarah Neary
Principal Adviser
Housing Advisers / Building Standards Section

To: Each Chief Executive
c.c. Each Building Control Officer
c.c. Director of Services for Building Control
